

POWER TRAIN LIMITED

OVERVIEW

The Power Train Limited Plan is our specialized vehicle protection coverage designed to cover models typically excluded from other service contracts. By focusing on essential power train components and offering an affordable, accessible solution, the plan ensures that a wider range of vehicles can benefit from the peace of mind that comes with reliable protection. With the Power Train Limited Plan, we are able to bridge the gap in the market for vehicle owners seeking coverage on a wider range of automotive models, safeguarding the most critical components of their vehicles.

LIMITED COVERAGE AVAILABLE ON MOST MODELS EXCLUDED ON OUR OTHER CONTRACTS INCLUDING:
